

# TERRA SANCTA COLLEGE CAREERS NEWSLETTER VOL 4 2014

With our Yr 12 students engaged with their HSC Examinations, this newsletter has increased relevance for our Yr 11 and 10 students and families. If there is any career matter you would like to discuss with the College Careers Adviser please feel free to contact Mr Joe Evans on 9208 7258

## Universities

### UTS New Bachelor of Management

The all new Bachelor of Management provides students with a broad introduction to key managerial concepts, immersion into innovative and entrepreneurial thinking, and a choice of three key majors in events, tourism and sport business.

<https://www.uts.edu.au/future-students/business/business-study-areas/management/bachelor-management>

### UTS Engineering Bonus Points 2015

Questionnaire closes Fri 28<sup>th</sup> November

Engineering's Year 12 Bonus Points Questionnaire could give students bonus points towards their application to a UTS engineering degree. Early round offers will also be made on the basis of this questionnaire.

<http://www.uts.edu.au/future-students/engineering/essential-information/year-12-bonus-scheme-questionnaire>

### UTS Art Education

The UTS ART Education and Outreach program connects high school students with contemporary art, ideas and innovation and provides a foundation for working with the creative and cultural sector. Participatory events and workshops based on the UTS ART Collection and Gallery program are held on campus, developing students' capacity as creative thinkers.

<http://art.uts.edu.au/index.php/about/education-outreach/>

### UTS Ignite: Assisting Refugee Entrepreneurs

UTS Business School and Shopfront are collaborating with Settlement Services International on a world-first program to help people from refugee backgrounds achieve their business potential. Ignite does not provide funding to the entrepreneurs, instead connecting them with organisations that provide small, interest-free or low interest loans and business advice to assist refugees and migrants to launch start-ups.

### UNSW: Minerals Summer School

Mon 19<sup>th</sup> January – Thu 22<sup>nd</sup> January

Applications close Fri 17<sup>th</sup> October

Students in Year 10 or 11 who are interested in science or engineering can take part in this four day residential summer school. Students will learn about study, careers, lifestyles and opportunities in the Australian minerals industry.

Contact: [mining@unsw.edu.au](mailto:mining@unsw.edu.au)

<http://www.engineering.unsw.edu.au/mining-engineering/unsw-minerals-summer-school>

### UNSW Parent Information Guide

[http://www.unsw.edu.au/sites/default/files/documents/parent\\_information\\_guide%20FINAL\\_1.pdf](http://www.unsw.edu.au/sites/default/files/documents/parent_information_guide%20FINAL_1.pdf)

### **UNSW High School Physics Competition**

Paper submissions open on Fri 21<sup>st</sup> November with the Student Experiment Symposium to be held on Fri 12<sup>th</sup> December.

High school students from years 7 – 11 across Australia are invited to investigate a physical phenomenon of their choosing and report their findings to the UNSW Student Experiment Symposium.

A maximum of five students are allowed to participate per paper submission.

<https://www.physics.unsw.edu.au/high-school/experiment-competition>

### **UNSW Science Information Day**

Thu 6<sup>th</sup> November, 9.00am – 3.00pm, UNSW Kensington Campus

This full-day activity is open to high school students in years 10, 11 and 12 and is designed to provide attendees with a taste of university life as a science student at UNSW.

Contact: [science@unsw.edu.au](mailto:science@unsw.edu.au)

<http://www.science.unsw.edu.au/future-students/science-info-day>

### **UNSW: Changes to the AAA Scholarship**

The Academic Achievement Awards are provided to encourage academically gifted local Higher School Certificate (HSC) or equivalent students from NSW and ACT high schools to undertake undergraduate study at UNSW. For entry to UNSW in 2015, the selection process will no longer require the school Principal's nomination.

AAA offers will be made by UNSW to students that achieve the highest ATAR (not including bonus points) at eligible NSW and ACT high schools

### **UNSW: Indigenous Science and Engineering Program**

Wed 26<sup>th</sup> November – Fri 28<sup>th</sup> November, Nura Gili, University of NSW

Cost: free

A three day multi-year fully supervised 3 day residential program for Indigenous students in years 7-9. Attendees will experience three full days of action packed exposure to cutting edge technologies such as their Virtual Reality Simulator and their World Cup winning football playing Robots.

<http://www.nuragili.unsw.edu.au/indigenous-science-and-engineering-program-isep>

### **Southern Cross University Main Round Scholarships**

Applications close Sat 20<sup>th</sup> December

Southern Cross University offers a range of scholarships to undergraduate students commencing study in 2014.

Applicants can apply online and will be considered for all scholarships that they are eligible for.

<http://scu.edu.au/scholarships/index.php/14>

### **UTS Discover Architecture Summer School**

Applications close Mon 5<sup>th</sup> January

Summer school runs from Mon 12<sup>th</sup> January – Thu 22<sup>nd</sup> January, UTS School of Architecture, 702-730 Harris Street, Ultimo

The UTS Discover Architecture Summer School is aimed at students who are considering a career in architecture.

Students will get to explore the Sydney CBD, make models and drawings using advanced digital equipment, meet and work with architects working at a variety of levels, and more. The course costs \$599 and does not cover day-to-day costs such as meals, flights or accommodation.

Contact: Joanne Kinniburgh on 02 9514 884 or [Joanne.Kinniburgh@uts.edu.au](mailto:Joanne.Kinniburgh@uts.edu.au)

<http://www.utsarchitecture.net/discoverarchitecture/>

### **The University of Newcastle: Open Foundation**

Open Foundation is a tertiary preparation program that provides a qualification which can be used to gain entry into university in addition to helping to develop the skills needed for successful study at tertiary level. Students completing the program should expect a workload of 15–20 hours per week from March to November in part-time and online Open Foundation, and 30–35 hours per week from July to November in Intensive Open Foundation.

<http://www.newcastle.edu.au/future-students/open-foundation/about-open-foundation>

### **The University of Sydney Science Experience**

Wed 14<sup>th</sup> January – Fri 16<sup>th</sup> January

Get a greater understanding of the reality behind a lot of popular forensic television shows through hands-on lectures and presentations. Students perform tasks such as blood typing, DNA analysis, identifying fibres from a crime scene, cleaning a digital photograph and undertaking fingerprint analysis to collect evidence against six suspects.

For students about to begin year 10 or 11

Contact Jessica Morris: (02) 9114 0825 or [science.alliance@sydney.edu.au](mailto:science.alliance@sydney.edu.au)

<http://sydney.edu.au/science/outreach/experience/index.shtml>

### **University of Western Sydney Course Decision Day**

Mon 5<sup>th</sup> January, Parramatta Campus

Students who are undecided about their study path may attend course decision day to get access to further information about their study options. Academics from all areas of study will give presentations on courses and attendees can speak one-on-one to an academic in the course advising rooms.

[http://future.uws.edu.au/future\\_students\\_home/events\\_at\\_uws/course\\_decision\\_day](http://future.uws.edu.au/future_students_home/events_at_uws/course_decision_day)

### **Charles Sturt University Bachelor of Applied Science Webinar**

Thu 23<sup>rd</sup> October, 7.00pm – 7.45pm

The webinar will outline the benefits of the course and the opportunities for graduates.

Contact: Judy Walsh on (02) 6338 6010 or [infoevents@csu.edu.au](mailto:infoevents@csu.edu.au)

<http://news.csu.edu.au/events/webinars/webinar-on-bachelor-of-applied-science>

### **University of Wollongong Options Day**

Tue 6<sup>th</sup> January

Prospective students can bring their results on the day to receive advice from academics, representatives from UOW College and TAFE.

Contact: 1300 367 869 or [UNIADVICE@UOW.EDU.AU](mailto:UNIADVICE@UOW.EDU.AU)

<http://www.uow.edu.au/future/options/index.html>

### **TAFE & Apprenticeships**

#### **Australian Training Company**

The Australian Training Company employs trainees and apprentices throughout Australia across a variety of industries. Their website features job vacancies in NSW & ACT.

<http://www.austrg.com.au/>
