From the Principal - Mr Fanning

As we commence Term 4 we keep our Year 12 students in mind as they complete their HSC examinations which commenced on Thursday 13 October. We have also recently commenced interviews with our current Year 11 students asking them a series of questions about their classes and their hopes for the upcoming time as Year 12 students.

There have been several leadership changes within the college. As you are aware from previous announcements. Mr Phil Smith is now working with the Catholic Education Office - Diocese of Parramatta working with several primary and secondary schools in regards to improving their learning and teaching. It was announced earlier in Term 3 that Mrs Kathy Cairns has submitted her resignation as Assistant Principal, effective from the end of this year. Kathy is looking for some other challenges in her life and while stepping down as Assistant Principal, she may look at remaining in education in some form. After 18 years at Terra Sancta/St JPII CC Mr Ken Wolffe – Assistant Principal will be working with the St Agnes Catholic High School, Rooty Hill in the same leadership role commencing Term 1 2017.

The new leadership model of the College will include Principal and 3 Assistant Principals. Mr Peter Regan has already commenced with us this term as Assistant Principal. Peter held this same leadership role at St Agnes Catholic High School, Rooty Hill for several years. The two other Assistant Principal positions have been advertised and will be finalised before the end of this term. With this change in leadership we will learn and discover further insights about how we can continue to improve the learning of all students at our College. [READ MORE >](#)

FROM THE ASSISTANT PRINCIPALS

We know that good relationships are the basis for learning and that anything that affects relationships [such as inappropriate behaviour] impacts on learning. However, we also need to challenge inappropriate behaviour in a way that can be experienced as an opportunity for learning. A major question we ask ourselves is, "How do you challenge students in a way that helps them think about their behaviour, yet still allow them to feel okay about themselves and you?" We believe that one of the answers to this question lies in Restorative Justice, a program that we have been using for many years now.

PRAYER

The month of October is dedicated to the Holy Rosary. According to an account by fifteenth-century Dominican, Alan de la Roch, Mary appeared to St. Dominic in 1206 after he had been praying and doing severe penances because of his lack of success in combating the Albigensian heresy. Mary praised him for his valiant fight against the heretics and then gave him the Rosary as a mighty weapon, explained its uses and efficacy, and told him to preach it to others. "Since the prayers of the Rosary come from such excellent sources — from Our Lord Himself, from inspired Scripture, and from the Church — it is not surprising that the Rosary is so dear to our Blessed Mother and so powerful with heaven. COUNSELLOR'S CORNER

At St John Paul II Catholic College we are acutely conscious of this impact and we work to address it in several ways. Firstly, we educate for wellbeing, particularly in the PDHPE curriculum, but also through Learning Enrichment, pastoral care days, reflection days and retreats, and through various talks and events such as RUOK day. We work to increase positive relationships using restorative practices and to reduce bullying using the method of shared concern.
