SUBJECT SELECTION INFORMATION YEAR 9 ~ 2018

Dear Parent/Caregiver

Throughout Semester 2 of this year, a process will be in place to assist your son/daughter to choose their two elective subjects for Year 9 in 2018. Whilst the electives chosen may continue into Year 10-2019 it should be noted that we currently offer alternative pathways of learning for the electives in Year 10. More information will be sent to you in 2018 about the available electives for Year 10-2019. As indicated below a booklet that contains information about all the courses that are studied in Stage 5 has been distributed to your son/daughter to assist with this selection.

The timeline of events and deadlines for this process is outlined below.

20 July to 24 August 2017	Subject Selection Seminars during Learning Enrichment (Periods 5 and 6 at Schofields) - Booklets distributed.
24 August 2017	Subject Selection Submission Details Distributed
24 August to 8 September 2017	Interview times available for those needing personal help/advice at Schofields Campus These appointments are available on request. Phone Ms Refalo (Assistant Principal) or Mrs Swift (Leader of Learning Stage) for a suitable time.
8 September 2017	Forms submission deadline – to Schofields Campus As places in classes for some subject are in high demand it is important that forms are received by this deadline.
15 September 2017	Confirmation of selections provided to students

Students in Years 9 and 10 have the freedom to study courses that they enjoy and are good at. It is not recommended that students be concerned about what their friends are choosing. Generally courses are two year courses and it would not be wise to be in a course they don't enjoy simply because of their friend's choice.

Students should make their choices based on those available as outlined in the booklet NOT based on what may or may not have run as a class in previous years. Classes for 2018 are determined by student demand and availability of resources and this changes from year to year.

Do not hesitate to contact Ms Refalo, Mrs Swift or Miss Gardiner for more information on 92087200.

Yours sincerely

Ms Mary Refalo
Assistant Principal

Mrs Amanda Swift
Leader of Learning – Stage 4
