Finally, I am always happy to speak to you about your child's education or issues that affect their education. If I cannot help you directly, I will ensure you are put in contact with the person/s that can assist you. If I am not available when you call, it is only because someone else 'got in' before you, but I will always endeavor to get back to you if someone else cannot assist you. I look forward to knowing that our faith in God will strengthen all of us as I work to ensure the very best Catholic Education possible for those in our care.

Warm regards

*J Fanning*
