Terms 2 & 3 College Hat Sun Safety Information Letter – Year 7-10 Students

Dear Parents/Caregivers

There has been some misunderstanding around the necessity of students wearing the College hat during Terms 2 and 3.

As stated in the school diary on Page 35a - ***Students must wear the College cap for PE lessons and sports/activities.***

It is compulsory for students to wear the school hat during PDHPE lessons, elective subjects that require hats such as PASS and during PACT lessons.

Students are also encouraged to wear their College hat during Breaks 1 and 2 when they are outside.

The correct wearing of school uniform creates a positive and professional learning environment both inside and outside of school.

The clear expectations of wearing the correct College uniform are published in the student planner and on the school website.

We take sun safety at the school very seriously and we appreciate your support regarding this this matter.

Yours Sincerely

Brad Horder
LCF - Sport
