24 July 2019

Dear Parents/Caregivers and Students,

## **YEAR 12 ~ 2019 ~ INFORMATION FOR TERMS 3 AND 4**

As we enter the final months of formal classes for our Year 12 students, I would like to take the opportunity to remind all families of a few important matters.

### **Last Impressions**

With less than three months of formal lessons remaining it is critical that all students ensure that their attendance, effort, study and uniform are of the highest standard. A piano teacher is noted for always insisting that the final notes of music must be practised over and over again. Her argument is that people may forget if you make a mistake at the beginning or half-way through, but your finish is what they will remember. Great wisdom! Ensure that everything in the final months reflects your very best efforts. This is how you will be remembered.

### **Attendance at School**

The remaining months of school are most important. Teachers in all subjects have planned their programs to assist students in their preparations for the HSC. In some cases they will be covering new material that builds on the work already covered and at other times they will be providing structured revision activities.

It is most important that students attend school every day until Tuesday 24 September. They need to be present in their classes each day and then studying seriously each night for at least 3 hours. Throughout Term 2 some students were absent or late to school. We ask for the support of parents/caregivers in ensuring that their son/daughter meets the College's attendance expectations during these final important months. If your son/daughter is absent you are asked to contact the College to explain the reasons for his/her absence. It would be most disappointing if presently good attendance records were marred by absences or poor punctuality during the upcoming weeks.

Learning Enrichment for Year 12 students will continue during Term 3 with individual subject tutorials, alongside other assemblies etc.

### **Uniform**

Students are required to wear full and correct uniform for the remainder of their time at St John Paul II Catholic College. Included in this statement is the requirement to adhere to jewellery and grooming requirements as set out in the student planner. Students are reminded that the Year 12 College Jersey can only be worn to school on a Thursday & Friday.

### **2019 Group Photographs**

The group photograph was taken on Thursday 13 June 2019. The students paid for the photographs on the day and will receive this photograph later in Term 3.

### **Graduation Mass Rehearsal – Thursday 19 September**

Year 12 will have periods 1 to 4 as normal. They will be transported by bus to Schofields during Break 2 and bussed back to Nirimba by 1.50pm.

### **Graduation Mass ~ Friday 20 September**

The Year 12 Graduation Mass is combined with our St John Paul II/Terra Sancta Day celebrations, however, the Mass will be dedicated to the Year 12 students. This Mass will commence at 9.00am in the Schofields grounds of the College. Students need to arrive at Nirimba by 8:00am and will be shuttled by bus to the Schofields Campus and will return to the Nirimba Campus in time for their normal school buses. Students are not allowed to travel to the Schofields Campus by car. Your sons/daughters will be wearing their full winter school uniform as per the college planner (including ties and blazers) as a sign of respect to their family and their school. The length of the girl's uniform needs to be knee length or below the knee.

Parents/caregivers and close relatives will be able to attend this Mass. However, seats will need to be **pre-booked** as the entire College will be present and, therefore, space will be limited. A Google Form/Booking sheet for seats at the Mass will be emailed to students with instructions and due dates.

### **Reflection Day and BBQ – Monday 23 September**

Year 12 will have a Reflection Day with Chris Doyle followed by a BBQ. They will be dismissed by 12.30pm. Students may wear sports uniform on this day.

### **Graduation Ceremony Rehearsal ~ Tuesday 24 September**

Graduation Ceremony rehearsal will take place Tuesday 24 September. Students are required to attend the Nirimba Campus at 8.00am on this day. They may wear their College sports uniform, including their Year 12 College Jersey, to ensure their winter uniform is prepared for the Graduation Ceremony in the evening. The rehearsal completion time will be between 10.30am – 11.30am. Students are able to leave at the conclusion of the rehearsal.

Tickets for the Graduation Ceremony and Formal will be distributed to students at the end of this rehearsal.

### **The Graduation Ceremony and Farewell Function ~ Tuesday 24 September**

This event will commence at 7.00pm in the Nirimba Campus Hall. Year 12 Students will need to be at the Nirimba Campus and assembled in the Performance Workshop by **6.30pm** Sharp.

The Graduation Ceremony will include:

- an opening liturgy;
- the presentation of all students to the audience;
- the awarding of prizes for first in course;
- the presentation of the major award winners.
- addresses from the Leader of Learning Stage Six, Student Learning Liaison, Student Leaders and the Principal;
- a video/slideshow presentation focusing on our Year 12 students may also be presented.
- a special blessing of all students.

This part of the evening is expected to conclude by **9.00pm**.

Following the graduation ceremony, the College will host a catered supper in the Gymnasium. Finger food and drinks will be served. This will be a relaxed yet formal occasion to congratulate the Year 12, 2019 students and to celebrate with other families the conclusion of 13 years of schooling.

Once again, due to space and catering constraints, the Graduation Ceremony and Farewell Function is a **pre-booked seated event only for immediate family of the Year 12 students**.

Students are to wear their full winter school uniform (including ties and blazers) at the Graduation Ceremony and Farewell Function as a sign of respect to their family and their school. Students will not be permitted on stage if they fail to comply with the uniform and grooming requirements. As such parents/caregivers and immediate family attending are asked to dress in a formal manner that returns the respect shown by the students. Gentlemen are asked to wear a coat and tie, if possible, with ladies wearing smart attire as would be appropriate for such a special occasion. We also ask that families refrain from calling out or whistling during the Graduation Ceremony as this detracts from respectful and formal nature of the ceremony

Entry to both the Graduation Ceremony and Farewell Function will be by ticket only. The tickets will be issued based on the College's ability to meet the requests made via the booking forms. Please note the dates these online Google Booking Forms **MUST** be completed and returned by the students to ensure you do not miss this special occasion. These forms will be emailed to students.

After numbers have been calculated, we will determine if additional seats can be made available to families who wish to bring members of their extended family. Once all the tickets have been allocated we will be unable to take late or forgotten requests for seats.

As always, if you have special circumstances that we need to consider, such as a separated family where the step-parents and biological parents both wish to attend the ceremonies, please contact us. We will endeavour to find a satisfactory outcome for all concerned. In the first instance, please contact the Stage 6 Student Learning Liaison, Mr Chris Chapman. We look forward to sharing this special occasion with you, the parents/caregivers and families of our graduating class of 2019.

The Graduation Ceremony and Farewell Function Google Form/Booking sheet will be emailed to students. Tickets will be distributed to the students after the Graduation Ceremony Rehearsal on Tuesday 24 September.

## Family Photographs for Graduation Ceremony

Part of the Graduation Ceremony involves acknowledging your contribution to your child's education. To assist us in doing this we are asking parents/caregivers to send us a digital photo in jpeg format of 'your family' including your Year 12 son/daughter.

If you can do this it would be great! Digital photos can be sent to the following email address: [jbanello3@parra.catholic.edu.au](mailto:jbanello3@parra.catholic.edu.au). Our closing date for photos is Friday 23rd August 2019.

## Year 12 Formal ~ Thursday 26 September

Parkroyal Parramatta, 30 Phillip Street Parramatta ~ 6.30pm to 10.30pm

Plans for this special event are progressing well and we would like to provide you with details of the event:

Governor's Ballroom at Parkroyal Parramatta is a stunning venue that will provide a fitting farewell for the Year 12 students from St John Paul II Catholic College.

The cost of \$125 per head includes a three course alternate menu, unlimited soft drinks, disc jockey, table decorations, security guards, room hire and setup. A Photobooth has been organized and will be available for the duration of the event to capture memories on the night. Parents/Caregivers will be at a cost of \$70.00 to attend the formal.

- This is a NON-ALCOHOL event. No alcohol will be served during the night, nor is any person in attendance permitted to bring alcohol to the venue. Should this occur we would have no alternative but to require the offender to leave. Similarly, any person arriving at the venue intoxicated will not be permitted to remain at the function.
- Smoking is not permitted in the function centre or on the grounds.
- For the safety of students and their guests we have engaged security guards for the evening. Students and their guests will be required to remain in the premises once they have arrived and will not be permitted to roam the grounds of the function centre. The Local Area Police Command has also been notified of the event and will patrol the area to ensure the safety of your son/daughter.
- Please stress to your son/daughter that normal school rules regarding courtesy and behaviour apply.
- The College does not support "after parties" and would like to remind students of their responsibilities to their family and friends in terms of safety and behaviour. Parents/Caregivers are advised that when such events do occur they are in no way connected to the College and/or the staff of the College. The College will not accept any responsibility related to such events.

**Outside Guests:** The College welcomes parents/caregivers to attend the formal with their sons/daughters and an invitation has been extended to the staff of the College. Students are permitted to apply to bring a guest from outside the College, if one or more of their parents/caregivers will be attending the formal. They will need to complete a "Partner Permission Slip", available from Mr Chapman or Miss Cairns. Please note that permission to bring a guest from outside the College needs the approval of parents/caregivers and the Principal, who reserve the right not to extend an invitation to prospective outside guests. If a student brings an outside guest, one of the student's parents/caregivers must attend and remain for the duration of the evening. Due to limited numbers that can attend on the evening, it may occur that tickets will be allocated on the following basis: - students, parents/caregivers and college staff and outside guests. Since the formal is a Year 12 event, no other students from St John Paul II Catholic College are allowed to attend as partners.

As the Year 12 Formal is traditionally seen as an end of school celebration, it is required that all outstanding matters, particularly school fees and school equipment (library books etc.) are attended to before the date of the formal. Failure to attend to these outstanding matters may affect your child's attendance at the formal. ***If you are experiencing any financial hardships, please contact the College's Business Manager, Kel Haynes, as soon as possible to discuss the matter to avoid any upset for your son/daughter.***

The formal is an approved school function and is a non-compulsory event that is a privilege. The College reserves the right to exclude any students from attending if they decide to misbehave or not comply with the College's rules in the lead up to the formal. Such a decision will not be made lightly and is irreversible.

In order to continue with the planning, it would be appreciated if you could complete the attached **"Year 12 Formal Information and Agreement Details and Payment"** (attached yellow form) and return it to the Nirimba office by Friday 23rd August 2019. Payment for this event needs to be completed by Friday 23 August 2019 and using the Qkr online payment App. However, parents/caregivers should not pay for this event if school fees are outstanding and no arrangements have been made with the Business Manager. Formal tickets will be distributed to the students after the Graduation Ceremony Rehearsal on Tuesday 24 September 2019. If you require any further information regarding the formal, please do not hesitate to contact Mr Chapman or Miss Cairns.

## Return of Books

Students obviously need access to library books and other school books during their examinations. We would ask that these be returned immediately after the relevant examination has been completed.

## Winter and Summer Second Hand Uniforms

Some families may wish to avail themselves of a service provided by the Uniform Shop to assist them in the sale of second hand uniforms. Blazers and the woollen longer length winter skirt should be dry-cleaned with the plastic wrapper still in place and clearly marked with name, address and telephone number of the owner. They should be left at the Office by Monday 11 November. The summer uniform can be left at the office at the end of the HSC examinations. When items are sold, a cheque will be forwarded to your current address. This may occur this year or in the coming year. (If there is any money owed to the school, the money from such a sale will be applied to this debt.) Uniforms can also be donated to the college via the Nirimba office or Stage 6 team. These uniforms will be used to assist students in need.

## School Fees

As stated in previous correspondence all accounts should be finalised by Friday 9 August. Accounts, which are not finalised may result in students not being able to attend the non-compulsory formal and other planned non-compulsory departure activities. ***If you are experiencing any financial hardships, please contact the College Business Manager, Kel Haynes, as soon as possible to discuss the matter to avoid any upset for your son/daughter.***

## Major Works

NESA requires all Major Works and HSC Practical Examinations to be completed during Term 3. Major work submissions commence Monday 5 August and conclude Friday 20 September. Students are to see their subject specific teacher for exact details regarding when Major projects or Practical assessments are due.

## Year 12 Reports

A statement outlining HSC Trial Examination Mark, Rank, and Cumulative Assessment Rank will be issued to students from Tuesday 10 September 2019. The official copy of the Semester 2 Report will be presented at the Graduation Ceremony on Tuesday 24 September 2019.

## Term 3 Holiday Study Block & Week 1 of Term 4.

As in the Term 2 holidays the college is encouraging students to be at school on the 8th, 9th & 10th of September 9am to 1pm to engage in study in the Nirimba Library. Teachers will be available to provide support and small group tutorials. Staff will also be available in Week 1 of Term 4 during their usual class time to assist students in the lead up to the first HSC exam.

## HSC Examinations

The written examinations commence on Thursday 17 October 2019 and conclude on Monday 11 November 2019. Each student can access a copy of the timetable from [studentsonline.nesa.nsw.edu.au](http://studentsonline.nesa.nsw.edu.au), using their Student Number and HSC PIN, which they have been allocated from NESA. It is absolutely essential that students arrive in sufficient time for the examinations. For the first examination all students must be at the College Hall by 9.20am. Students must wear full summer school uniform.

The NESA regulations specify that mobile phones and smart watches cannot be taken into the examination room. For security reasons students should therefore not bring mobile phones to school. The College cannot accept responsibility for mobile phones.

The college library and other classrooms are also available for students to use during the HSC examination period on days and times they may not have a scheduled exam.

## HSC Illness/Misadventure Appeals

If you become ill or suffer an accident that affects your exam performance, you should submit an illness/misadventure application form (available at the exam centre) through the principal or delegate and notify the Presiding Officer when entering the exam or as soon as possible.

It is important that you attend the exams where possible even if you believe your performance in the exam will be affected. If you cannot attend an exam because of illness or misadventure, notify your school immediately. You should never risk harm in order to attend an exam, or attend an exam against medical advice.

You must obtain documentary evidence generally on the day of the exam to support your illness/misadventure

application. If you did not sit the exam this evidence must indicate why you were unable to attend and to complete an Examination Illness/Misadventure Appeal form, which is obtainable from the Presiding Officer.

This does not cover situations where students arrive late to the examination due to foreseeable situations such as traffic delays. No extra time is allowed in such circumstances.

The latest date for submission of Illness/Misadventure applications is Monday 18th November.

## **HSC Assessment Rank**

NESA will release HSC Assessment Ranks after the last HSC written examination on Monday 11 November via [studentonline.nesa.nsw.edu.au](http://studentonline.nesa.nsw.edu.au). Students access their rank using the individual student login.

## **Review of HSC Assessment Rank**

Every student has the option of seeking a review of his/her assessment rank, if their position in the school's order of merit differs significantly from the expectations they have from feedback on their performance throughout the course.

The grounds for any review are very clearly laid out in the HSC Regulations. There are only three such grounds:

- i) that the weightings used by the school in its Assessment Program do not conform to the NESA requirements as detailed in the subject guidelines;
- ii) that the school's assessment procedures did not conform to the Assessment Program issued to students;
- iii) that there has been a computational error in determining the Assessment Mark.

A review cannot be sought for any other reason. Marks awarded in individual Assessment Tasks are not subject to review.

Should any student seeking a review, she/he must inform Mr Fanning verbally after accessing their rank(s) through the students' online portal. The student will then be required to confirm their request in writing and include the grounds for the review (see above). As any review process has to be completed by Monday 18 November, the school must have any such requests by 2.15pm on Friday 15 November.

Should any such request eventuate, we will explain to students concerned the procedures to be followed. We believe that our students are fully aware of all assessment requirements and that they have had thorough feedback on performances on each individual Assessment Task. Students have also received their progress accumulative rank after each formal assessment.

NB: Students can also appeal their English Studies and Mathematics Standard 1 grades.

## **School References**

The process of producing official school references for our Year 12 students is already underway. References will be given to students who complete the google form sent to them. References can be collected from the school, from Monday 11 November, provided that all leaving requirements have been met.

## **HSC Results**

This year the official results will be available from NESA by telephone, SMS and [studentonline.nesa.nsw.edu.au](http://studentonline.nesa.nsw.edu.au) from Tuesday 17 December.

## **2019 HSC Celebration Lunch**

All Year 12 students are invited to attend the HSC celebration pizza lunch which will be held on Tuesday 17 December 2019 from 12.00pm-1.00 pm at the Schofields Campus. Please RSVP this invitation to Miss Cairns 9208 7257 or Mr Chapman 9208 7260 or College Administration 9208 7200 by Monday 16 December 2019. This is an opportunity for all of the students to meet again as a group to conclude their final year at the college.

## **2019 HSC High Achievers College Assembly**

We seek your assistance in continuing to further develop the St John Paul II Catholic College spirit and tradition.

As the Year 12 students are about to complete their studies we wish to prepare for the 2019 HSC High Achievers' College Assembly which will be held on Thursday, 6 February 2020 in the Schofields Campus Gathering Area commencing at 9am. An invitation will be sent to the students and their parents/caregivers once the HSC results are known on 17 December this year. This whole College assembly will recognise the achievements of the students who receive a combination of Bands 5 and 6 or or E4 in Extension subjects in the 2019 Higher School Certificate.

In addition the assembly provides the opportunity for the current students to be inspired to achieve excellent

results. Past returning students have always enjoyed their visit and the time to mingle with their peer group and teachers who they were able to thank and reminisce about their years spent here at St John Paul II / Terra Sancta Catholic College and more especially, those months of support given prior to the HSC.

In anticipation of the student's high achievement, we seek your permission to obtain details for your son/daughter to be contacted on 17 December. We also wish to use our student file photographs as part of our advertising. This additional information and our current records will also assist us during the HSC examinations if there is contact needed for your son/daughter. *(See attached green form).*

### **2019 HSC Destination Survey**

The completion of this survey will assist the students to be given information about their career paths. The survey information will be used by Mrs Fitzsimons, College Careers Advisor, during her interviews with the Year 12 students during Terms 3 and 4. *(See attached green form).*

Please complete the two attached forms plus the two online google booking forms (emailed to students) and return them to the College office by Friday, 23 August 2019. If you require any further information contact Mr Chapman or Miss Cairns at the College.

Yours sincerely,

A handwritten signature in black ink that reads "J Fanning". The "J" is large and stylized, and "Fanning" is written in a cursive script.
